Fall I 2018 Program Info

Single-Sport Classes

Lil Athletes offers Single Sport classes in many Nassau & Suffolk County locations on Long Island! We offer Soccer, Baseball, Lacrosse, Basketball, Hockey, and Football. Our programs start as young as 20 months and goes up to 6 years of age. We are a year-round company, offering indoor & outdoor class options depending on season. Single Sport classes run for 45 minutes each class, and cover basic fundamentals of each sport geared to engage our young athletes.

Multi-Sport Classes

Multi-Sport classes were a very popular option for our Lil Athletes players over the last year. Starting Fall 1 2018 session, Multi-Sport classes will run for 50 minutes (single sport classes run for 45 minutes), and cover 2 sports each week. Perfect way to introduce young athletes to different sports without committing to 7 weeks of a specific sport.
